DANCE · MUSIC · TUTORING

Our L'il Movers program is an excellent way for young students to be introduced to the essentials of movement and music.

Students are able to socialize and have fun while learning in a safe, nurturing environment.

It's more than just fun! Our faculty specializes in the development of young students and provide a fun filled week of games, dance, crafts, music and play-based learning!

Each week is designed to teach young students about our world in an interactive and fun way. Give your child a great head start at THE ACADEMY!
