Frequently Asked Questions

1. What protocols are in place for student safety during Ontario's recovery?

We have spent weeks reconfiguring our 10,000 square foot facility for our student's safety! Among some of the additions are the following: Masks are provided for all campers. Students sanitize upon entry and throughout the day. Designated activity areas and traffic patterns are clearly marked within and outside of the studio. Individual supplies and activities for each camper. Studio-wide sanitizer system used whenever students exit or enter a new room and much more!

2. What time is the camp each week?

Camps run from 9am to 4pm. Before and after care is available for an additional fee.

3. How much is the extended care fee?

Extended care starts at 8am and can be extended to 5pm. The cost is \$25+HST/student/week.

4. Can I register more than one child?

Yes! There is a 10% discount for each child.

5. My child is younger than the recommended age? Can they participate?

Our camps are suitable for students 5 and up. Physical distancing is difficult for students under 5.

You will be given a camper's list. This often includes, a change of clothes (including underwear and socks), bathing suit, sunblock, hat, indoor and outdoor shoes, healthy options for snacks and lunch. **NOTE: Wild Water Week: Splash Pad use is subject to government legislation.**

8. How do I register?

You can contact the front desk at edcfrontdesk@gmail.com or you can register through the website.
